Heizer Defense introduces the “Hedy Jane” models at NRA Show

Pevely Missouri 04/08/2014

Heizer Defense the designer of the PS1 Pocket Shotgun Pistol and PAR1 Pocket AR Pistol is pleased to announce the “Hedy Jane” models.

“The Hedy Jane models feature a variety of colors and will be launched at NRA Show. We have been studying the market to identify the best colors and combinations for the Hedy Jane models. We have both two-tone and solid color versions to share with NRA members and look forward to their feedback commented Hedy Heizer Gahn, Principal of Heizer Defense. “The Hedy Jane will be offered in both the 45 Colt/.410 pistol and the new .223 “Pocket AR” Pistol. We’ll have them at the NRA Show Booth #6274 in a special display and look forward to seeing everyone”.

“We are excited about addressing the female market with the most powerful small handguns available” said Tom Heizer, Principal of Heizer Defense. “The response from the consumers and industry has been strong. This is just another step in our lineup of new products. We invite all attendees to stop by Booth #6274 to see all of our pistols”.

For more information on the Heizer Defense products, visit www.heizerdefense.com

*Heizer Defense is a state-of-the-art, high technology Firearm Company based in Pevely, Missouri.
Heizer Defense is an affiliated company of Heizer Aerospace. Founded in 1962, they manufacture fracture critical components for aerospace companies, NASA and the military.
Heizer Defense Engineers apply the same military technology to create high quality firearms.*

Heizer Defense was founded by Charlie Heizer who escaped from war-torn Hungary over 50 years ago. He has dedicated his life to engineering solutions that support American values and freedom.
