**October 18, 2018**

We are excited to announce Brittany Blissett has joined Heizer Defense as Sales and Marketing Manager.

Brittany has over 14 years in the firearms industry. Her journey began in sales in Illinois, where she gained a passion for firearms and her love for the industry allowed her to move into a retail management role.

After relocating to Missouri in 2014, her most recent role was as Member Services Coordinator with Top Gun Shooting Sports in Arnold, Missouri. Brittany developed and expanded this program to be one of the largest in the area!

In addition to her vast knowledge of firearms, she is an NRA Certified Firearm Instructor. Plus, she is the St. Louis, Missouri Chapter Leader for the Well-Armed Women National Organization, helping to educate and empower female shooters in the sport!

Over the next few weeks, Brittany will be making contacts in the industry and exploring new opportunities to promote the unique Heizer Defense line, like the PKO 45 and the new 9 mm coming soon! Her goal is to make the Heizer Defense name, one of the industry leaders!

We bid farewell to Eric Polkis and wish him the best for his new endeavors!
